

## Registered Engineers

Update as of March 31, 2020

|   |     |  |
|---|-----|--|
| Doctor of Engineering                                       | 16  |     |
| Doctor of Agriculture                                       | 3   |     |
| Doctor of Science   | 7   |     |
| Registered Professional Engineer                            | 124 |    |
| RCCM(Registered Civil Engineering Consulting Manager)       | 25  |     |
| 1st Class Civil Construction Management Engineer            | 50  |    |
| 2nd Class Civil Construction Management Engineer            | 8   |     |
| 1st Class Plumbing Work Operation and Management Engineer   | 3   |     |
| 1st Class Electrical Engineer                               | 3   |     |
| 2nd Class Electrical Engineer                               | 1   |     |
| 1st Class Dam Water-Way Engineer                            | 1   |     |
| Concrete Diagnostician                                      | 6   |     |
| Road and Bridge Inspector                                   | 5   |     |
| River Inspection Technician                                 | 7   |     |
| River Maintenance Engineer                                  | 2   |     |
| Geological Survey Engineer                                  | 7   |     |
| Registered Surveyor   | 13  |     |
| 1st Class Architect   | 27  |    |
| 1st Class Structural Architect                              | 6   |     |
| 1st Class MEP(Mechanical, Electrical and Plumbing) Engineer | 7   |     |
| 2nd Class Architect   | 3   |     |
| Building Mechanical & Electrical Engineer                   | 5   |     |
| 1st Class Architectural Construction Management Engineer    | 4   |    |
| Taxonomic Proficiency                                       | 9   |   |
| Environmental Pollution Control Operator                    | 29  |  |
| Biotope Management Engineer                                 | 13  |   |
| Environmental Measurement Engineer                          | 4   |   |
| Weather Forecaster  | 1   |   |
| Registered Energy Management Supervisor                     | 47  |  |
| Licensed Engineer of Reactor Operation Management           | 2   |   |
| 1st Class Radiation Protection Supervisor                   | 8   |   |
| 2nd Class Radiation Protection Supervisor                   | 7   |   |
| 1st Class Boiler-Turbine Engineer                           | 11  |   |
| 1st Class accountant for Construction Industry              | 6   |   |
| 2nd Class accountant for Construction Industry              | 9   |   |
